FORMS

BEST IRS for your QI reporting

BEST IRS is a professional platform for QI entities.

Designed to guide users in the correct reporting of forms 1099, 1042 and 1042-S, the tool is completely independent from the IT environment of QIs, it works with standard Excel files.

Extraordinary for its functionalities, BEST IRS is extremely flexible and can be used by all QIs: from international banks groups to small financial entities (e.g. fiduciaries).

[Contact us](#), we will provide you with the information you may need to evaluate our solution.

BEST IRS: the easy and correct way for your QI reporting.
